## Antioch elects new mayor next week

SHOWING GOOD FORM and concentration was Antioch High School softball pitcher Sandy Kessler. The girls suffered a disappointing loss to Libertyville last Saturday, but look forward to the next home game Monday, Apr. 18 at the Upper Grade School.

## District 34 election won by 'un-ticket'

Four people who in jest called themselves the "un-ticket" won a resounding victory last Saturday in Antioch's District 34 grade school election.

Re-elected to the board was president Gail Heath, who led the "un-ticket" with 765 votes.

Also winning three-year terms were Garnet Cook, with 723 votes, and Bruce Jablonski, with 662.

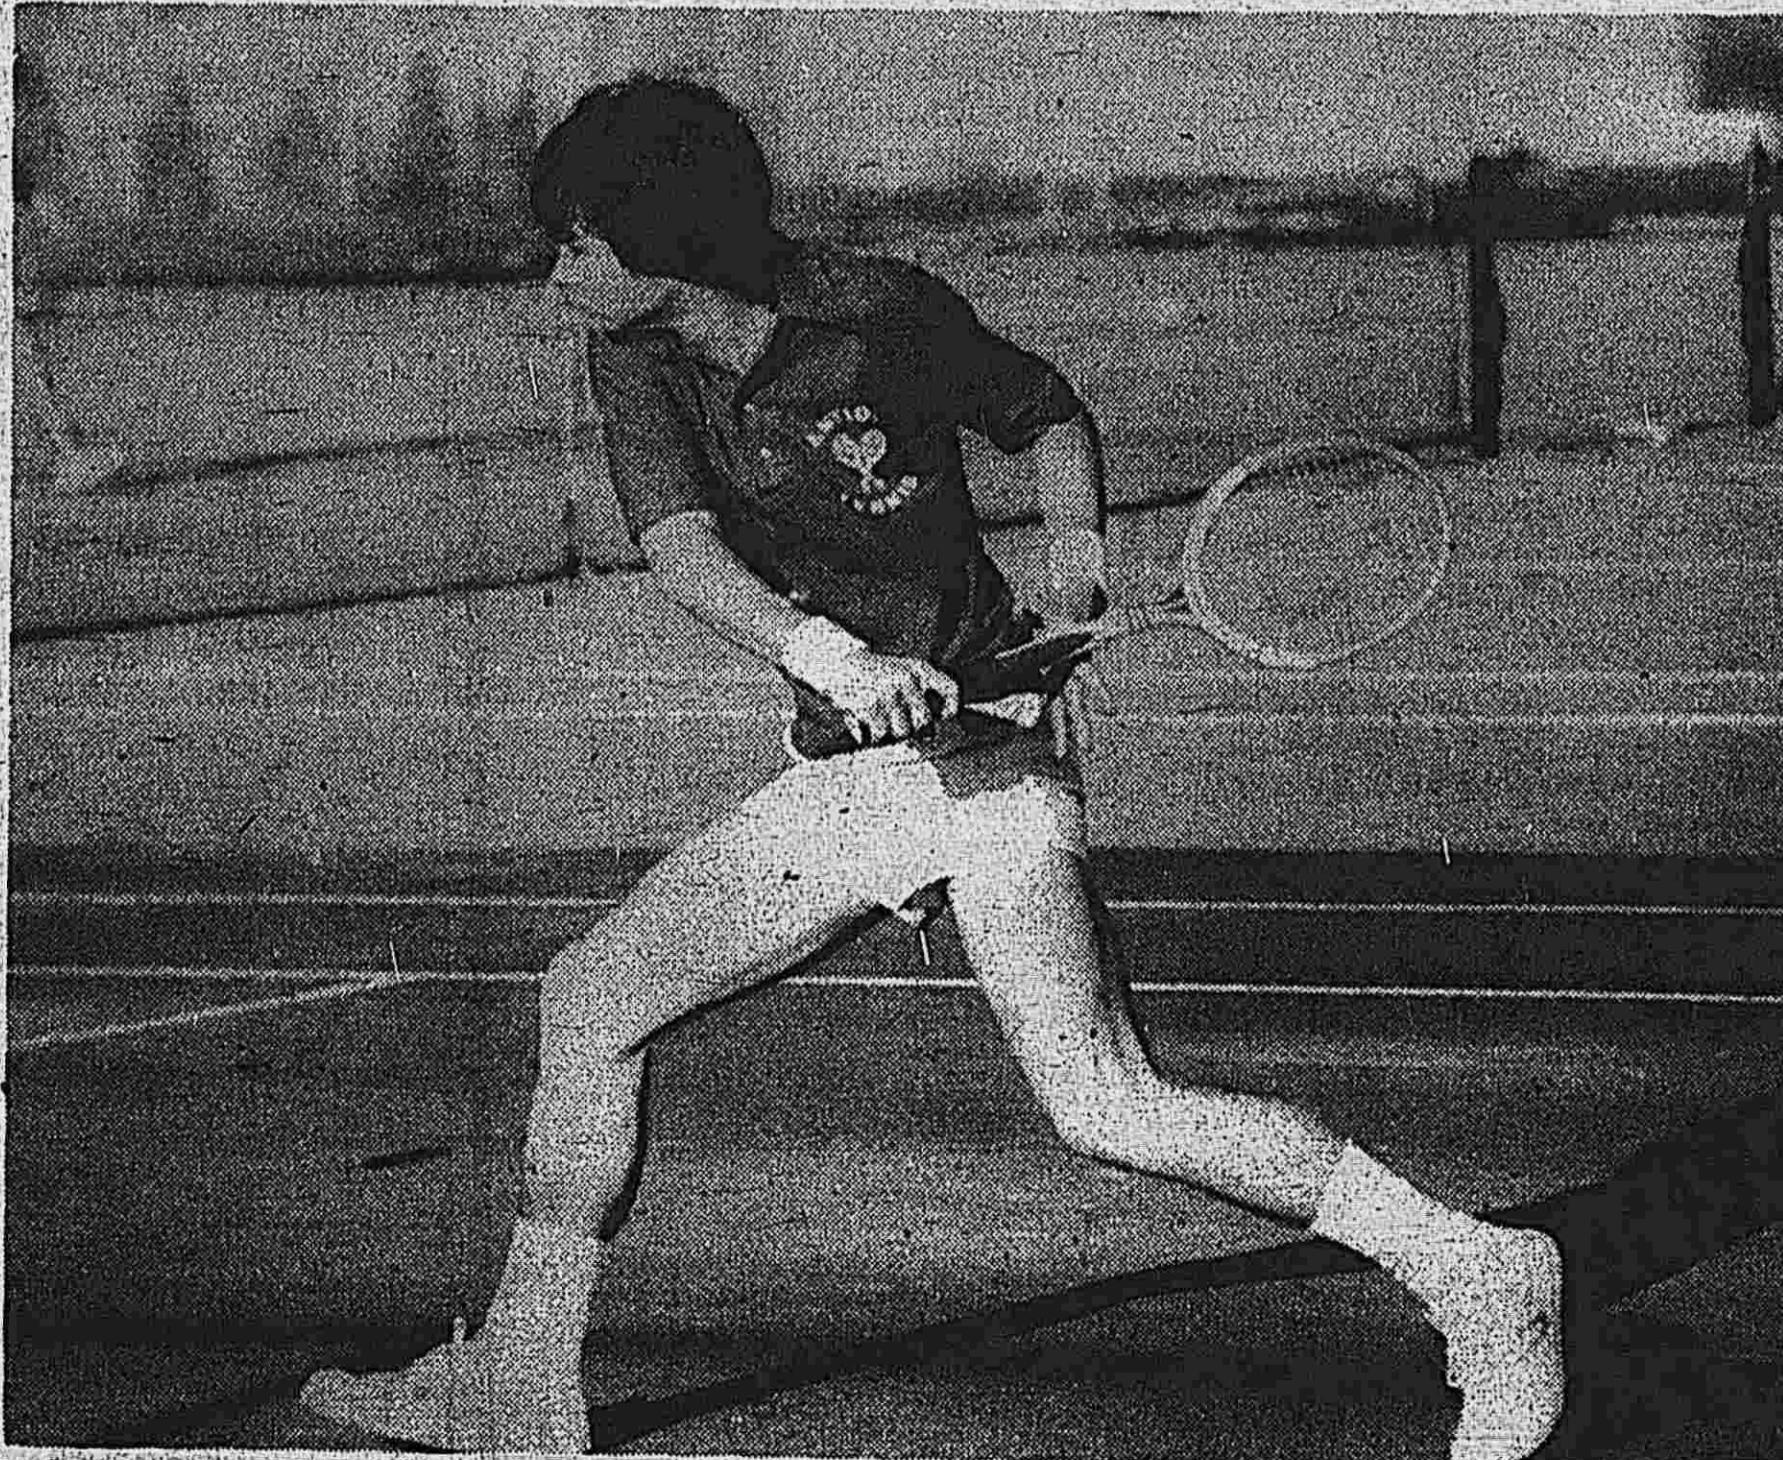

Former member Robert Kelley was returned to the board for a one-year unexpired term when he defeated Curtis Denny 541 to 243.

## Newsstand deliveries to be late

The Antioch News won't be on the newsstands as usual next Tuesday night. We will be printing late in order to bring you the results of the village election.

The paper will be on the newsstands and in the mail Wednesday morning.

DENNIS KORJENEK turned in a fine performance last week for the Antioch tennis team, beating his McHenry opponent in three sets. Both the varsity and sophomore squads triumphed by scores of 5-0.

## Clerk and trustee posts at stake, too

Now that important township and school board elections are over, the conversation in Antioch is intensely focused on next Tuesday's village election.

Some of the talk is heated, much of it is speculation. Who will win? Which are the best people for the jobs? This discussion has been going on for months, especially since Mayor Robert C. Wilton announced that he wouldn't seek re-election.

Many feel if Wilton had run he would have been unopposed. But in his absence, there are four men who want to be the next mayor of Antioch.

They are, in the order their names appear on the ballot, Henry J. Gillman Jr., J.I. (Irv) Walsh, Raymond P. Toft and Michael J. Haley.

Haley heads the only full slate, the Citizens' Action Party. The other three are running as independents. The term is for four years.

More information about the candidates appears in stories inside today's Antioch News.

THE POLLS WILL BE open from 6 a.m. until 6 p.m. next Tuesday, Apr. 19. There are two precincts. Village residents living west of Hy. 8 vote in precinct 1, at the village hall. Those living east of Hy. 83 vote in precinct 2, at the Scouthouse.

Persons who aren't already registered can do so at the village hall. In fact a registrar will be there yet on the day of the election.

THERE ALSO ARE contests for village clerk and four trustee posts.

## Village election next Tuesday

Continued from page 1

The incumbent clerk, Marilyn J. Sterbenz, is being opposed by Shirley A. Gutowski, the village treasurer who is running on the Citizens Action Party (CAP) slate.

Three men will be elected to four-year terms as village trustees. Five are running.

Two persons are running for a two-year term as

a village trustee.

Seeking four-year terms are CAP members William H. Seemann, Donald H. Amundsen and Ronald J. Cunningham, and independents Vern (Barney) Barnstable and Daniel Kasik.

Running for the two-year term are Judith I. (Judy) Phillips of the CAP and Edgar Simonsen, an independent.

Stories about these candidates appear inside.

## School board elections

Continued from page 1

member Charles (Ray) Atwood, were far behind. Atwood surprisingly collected only 392 votes, with Robert Olson at 301 and Philip Cirone at 269.

Atwood, Cirone, Olson and Denny had been supported by Sharon Krom, one of the members leaving the board, and some of the teachers at the Antioch Upper Grade School.

When Supt. Henry Meyer's contract was renewed recently the vote was 4 to 3. Voting against a 3-year contract for Mr. Meyer were Mrs. Heath, Jimmie Quedenfeld and Homer (Sid) Parker. Voting for it were Mr. Atwood, Milo Bailey and two persons who are leaving the board, Mrs. Krom and Jim Miles.

That was considered by political observers to be one of the issues in the election.

THESE WERE THE results of other school board elections:

**GRASS LAKE DISTRICT 36**

There will be three new faces on the Grass Lake

School board following one of the heaviest turnouts in the history of this small district. In all, 375 ballots were cast and among those not returning to the board are both current president Gregory LaPlante and secretary Beverly Mattson.

Survivors of a six-way contest for three three-year terms were Marlene Olsen with 213 votes, incumbent John Steitz Jr. with 184 and Donald Ament with 176. Failing in their bids were LaPlante with 130 votes, James Bletsch with 107 and Irvine Metz with 96.

Beverly Mattson was defeated in the two-way race for a one-year unexpired term. She received 123 votes compared to 205 for winner Susan Lloyd.

**COLLEGE OF LAKE COUNTY**

Although eight persons sought election to one of the three three-year terms, the College of Lake County board will have a familiar look.

Richard Anderson of Grayslake, the only incumbent in the field, was re-elected with 3,944 votes. That placed him third behind two men who had previously served on the board, James

Lumber, Antioch attorney, and Dr. Lawrence Day of Libertyville.

**EMMONS DISTRICT 10**

Incumbent Richard Ruck Jr. was not returned to the board as Carl Fischer with 80 votes and Ellen Kaiser with 79 captured the two three-year terms. Ruck received 61 votes.

**LOTUS DISTRICT 10**

Vern Thelen, the only incumbent seeking re-election, led the balloting with 71 votes.

## New Thrift Shop home

At long last, the Antioch Mental Health Association Thrift Shop has found a new home.

Plans were finalized last Friday, but the shop will probably not open at 921 Main St. for about six weeks.

The contents at the shop's former location, southwest corner of Lake and Main streets, were almost totally destroyed in a Dec. 14 fire.

**Our endorsements**

We feel we have made a careful and thorough study. We have talked with many who, in our opinion, have the best interests of Antioch at heart, and no axes to grind.

We also have covered village meetings and have become friends with most of the candidates.

It isn't easy in a small town to make endorsements. As we said, practically every one of the candidates in next Tuesday's important village election is either a friend of ours or someone we have every reason to respect.

Some of those who wish us well have recommended that we endorse no one. We sincerely appreciate their concern for us. Yet, when a newspaper feels it knows what is best for its community, it really isn't a newspaper unless it stands up and is counted.

Now that you understand our feelings, we hope you will respect our endorsements when you go to the polls next Tuesday.

**WE FEEL IT WOULD** be best for Antioch if the voters elect Michael J. Haley for mayor and Marilyn J. Sterbenz for village clerk.

For village trustees, we endorse Donald H. Amundsen, William H. Seemann, and either Daniel Kasik or Ronald J. Cunningham for four-year terms.

We also endorse Judith I. (Judy) Phillips for the two-year term.

Four are members of Mr. Haley's Citizens' Action Party and three are incumbent trustees.

It is important that they be given the chance to continue the fine work that has been accomplished in the last four years during Mayor Robert C. Wilton's excellent administration.

**THE FIRST QUESTION**, of course, is why we are endorsing Michael J. Haley for mayor over J. I. (Irv) Walsh and Raymond P. Toft. All three have been friends of ours and we aren't sure anyone in town is infallible enough to know which would be the best mayor of Antioch or which will win the election.

Most everyone we have talked with like Irv and Ray and respect the contributions they have made to Antioch in their years as public officials.

We also know Mike Haley to be a fine gentleman and a man who has been an extremely dedicated, hard-working village trustee. More than that, Mike is remarkably in tune with Antioch's needs and is the person most capable of working with the village board, the village employees and the people who need a responsive, dedicated mayor.

Irv Walsh and Ray Toft possibly can fill the same needs. But in the campaign talks we have heard, and in the job Mike Haley has done as a village trustee, we must give him our endorsement.

**IN OUR ENDORSEMENT** for village clerk, we are stepping outside the Citizens' Action Party ticket only because Marilyn Sterbenz has done such an outstanding job as village clerk that she naturally deserves re-election. Few villages in the state have a clerk who is so well-qualified and respected. If anyone deserves to be kept in office, it is Marilyn Sterbenz.

We feel badly that she is opposed by Shirley Gutowski, the village treasurer, because we think so highly of her, too. It has been a pleasure to deal with a village hall that has been staffed by women as pleasant, capable and efficient as Marilyn Sterbenz, Shirley Gutowski and Kathy Toft. We hope that the man who is elected mayor will keep the duties at the village hall exactly as they are now.

It has been suggested to us that this isn't possible, and that

A newspaper dedicated to people marching to their own drummers.

By JERRY PFARR

Since most of you spent at least part of Easter Sunday watching the Masters golf tournament and/or "Jesus of Nazareth," you now realize why Jack Nicklaus couldn't star in both shows.

It came as quite a shock but, alas and alack, he can't work miracles.

However, a friend tells us there are six changes this year in the rules of golf which should, at least, help the rest of us.

Here they are:

1. A ball sliced or hooked into the rough shall be lifted and placed in the fairway at a point equal to the distance it carried or rolled in the rough. Such veering right or left frequently results from friction between the face of the club and the cover of the ball, and the player should not be penalized for erratic behavior of the ball resulting from such uncontrollable mechanical phenomena.

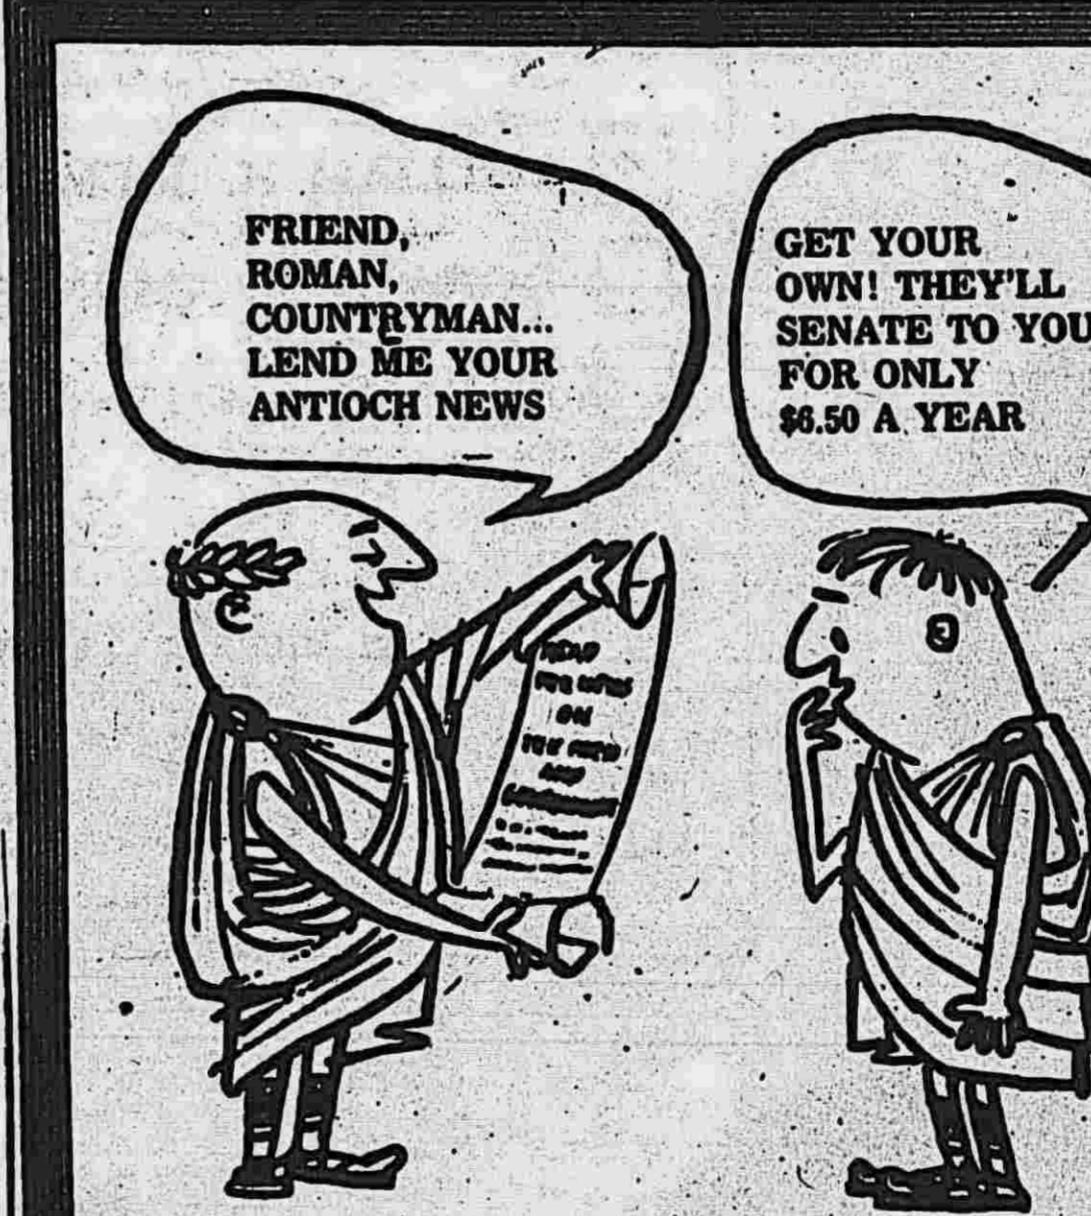

2. A ball hitting a tree shall be deemed not to have hit the tree. Hitting a tree is simply bad luck and has no place in this scientific game. The player should estimate the distance the ball would have traveled if it had not hit the tree and play the ball from there, preferably from atop a nice firm tuft of green.

3. There shall be no such thing as a lost ball. The missing ball is on or near the course somewhere and eventually will be found and pocketed by someone else. It thus becomes a stolen ball, and the player should not compound the felony by charging himself with a penalty stroke.

4. If a putt passes over the hole without dropping, it is deemed to have dropped. The law of gravity holds that any object attempting to maintain a position in the atmosphere, without something to support it, must drop. The law of gravity supersedes the law of golf.

5. Same thing goes for a ball that stops at the brink of the hole and hangs there, defying gravity. You cannot defy the law.

6. A putt that stops close enough to the cup to inspire such comments as "you could blow it in" may be blown in. This rule does not apply if the ball is more than three inches from the hole, because no one wants to make a travesty of the game.

The bride-to-be graduated from Antioch High School and Carthage College, the groom-to-be, from Wauconda High School and Harper College.

Miss Albergo is now a teacher at B.J. Hooper School in Lindenhurst. Kurth is a salesman at College Hill Lincoln-Mercury Agency in Crystal Lake.

## Be careful on ballot!

Be sure to let your vote be counted next Tuesday — far too many ballots end up in the "spoiled" category.

Remember these rules:

1. Put an "X" rather than a check mark in the proper places.
2. The candidates for a particular office go across the page; therefore, vote for one mayoral candidate, one for
3. If you want to vote for a whole party with one or more exceptions, place an "X" in the party circle and an "X" by any particular independent candidates' names. An "X" before a name always supersedes all party candidates for that office.

The Lake County amateur baseball league, comprising ten teams in the county, will play the first games of the season May 1, it was announced today by Luliver Lasco, manager of the local team, who has been one of the leaders in organizing the league. Baseball has been in the wane in this locality for the past few years, probably due to the many counter attractions to be found in the lake region.

Groundbreaking for the new St. Stephen Lutheran Church of Antioch will take place this Sunday, Apr. 16 immediately following regular 9:30 a.m. worship. The congregation is presently meeting in the Antioch High School. Ev Oftedahl chairs the building committee, composed of Ed Gustafson, William Kohl, Phil Rich, Ken Rentner, Robert Broch and Norman Golden. The congregation was organized on May 2, 1965 and has grown since then to 250 members. The new site is at the intersection of Rt. 59 and Hillside Ave.

**MAIN SECRETARIAL** is a new concept in office services for northern Lake County, and Antioch specifically. The idea is to have the work done in the MS office, leaving the business person free of the expense of maintaining an office with equipment and staff. The type of work that can be done under these conditions is equal to the work done in a private office: maintaining files, keeping records of accounts, sending monthly statements, typing letters and general typing.

At the present time the staff consists of the owner, Pat Sershon, with people working in different areas of office procedure in their own locations. In time, at least one more full-time typist will be made available to handle the work load. A complete staff of competent people is available at a telephone call.

**THE OWNER** is experienced in this line of office services. Prior to moving to Antioch, Pat established a secretarial service in Wilmette, with clients ranging from attorneys to authors.

She has been secretary to Philip O. Krumm, president of the U.S. Olympic Committee for the past four years. Though Krumm will be retiring from the presidency, he will maintain a private office in Antioch and continue his involvement with International Olympic Committee. Pat will

## Knolls dance

Plan now for an evening of fun, dancing and good food this Saturday, April 16, as the Oakwood Knolls Property Owners Association presents their annual spring dance. From 9 p.m. to 1 a.m. at St. Peter's Social Center, the spring dance committee will present "Once Upon a Springtime" with music by the "Lenny Joseph Trio."

Tickets are still available at the State Bank of Antioch, the First National Bank of Antioch, the Antioch Savings & Loan Association or by calling Tim Hynes, 395-0544. Included in the \$4 donation is a delicious buffet dinner of roast beef and ham accompanied by homemade meatballs, salads and desserts.

AS IN the past, local merchants have been generous in donating prizes. Of special note is the weekend for two at Marriott's Lincolnshire Resort, co-sponsored by the Antioch Travel Agency and the Oakwood Knolls Property Owners Association and the black and white portable television set donated by Lyons-Ryan Ford-Lincoln-Mercury Agency. The weekend at Marriott's Lincolnshire includes dinner, theatre tickets and \$50 spending money.

## Takes Time Out for Baby

### Still Loses 75 Pounds Credits Conway Diet Institute

Mrs. Kathy Zimmerman, has lost 75 pounds and reached her goal weight while following the Conway 1000 Calorie Diet and attending the weekly Insight Seminars. The interesting part of Kathy's story is that mid way through her weight loss she took time out to have a baby daughter. Six weeks after delivery, Kathy went back to the Conway program and lost the last 33 pounds. She's now at goal weight and 75 pounds lighter. Kathy, a registered nurse, says "I felt miserable when I was overweight. I knew the harm obesity was doing to my health. I had never been able to diet successfully before. I found the Conway Diet easy to follow, nutritious and satisfying. The Insight seminars were stimulating and informative. The interaction with other members was a real support."

## PM&L has comedy treat

By BETSY ROSSEN

In the mood for lots of laughs and a professional production? Check out PM&L Theatre's current comedy, "Charley's Aunt."

Director Pat Jamison and producer Frank Jamison are to be commended for the result of their labors. A well-cast and well-rehearsed group of actors and crew members make the play a full evening of entertainment.

**THE STORY**, set in 19th century England, opened last Saturday and continues the next two weekends, Apr. 15, 16, 22 and 23. I was able to get in on last Friday's dress rehearsal:

The timing of delivery, entrances and exits really made the show for me. And as an editor, I can appreciate the excellent job Pat has done with a lengthy script. Full of snap and punch.

Mistaken identity is the central point of the plot, as two collegiates invite their girlfriends to luncheon. But when the anticipated millionaire aunt from Brazil does not arrive, the fellows prevail upon a school chum to impersonate her.

I WAS AMAZED to learn Dan Maloney's performance as Charles Wykeham is his first attempt on stage, for he showed much poise and ability.

Gary Miller of Waukegan stepped in as Charley's friend, Jack Chesney, only one week ago. He is terrific and seems to work well with the whole cast.

Mark Kettner is Lord Fancourt Babberly, the impersonator. I dare you to keep from laughing: his battles with a hoop skirt and fan are something else.

This is not to slight the rest of the cast, for it's a comedy team on the Main St. stage. They include: Pam Hunley, Pat Napolitano, Bev Palmburg, Steve Woolaway, Josef Hunley, Kevin Little and Laura Krah. They all synchronize to make the closing of Act I outstanding.

ACT II OPENS on one of the most beautiful sets I've seen. The effect of elegantly simple design and expert lighting is a winner.

I'm not one to toss out idle compliments. Call 395-3055 for reservations and see for yourself.

### CLC NEWS

AREA RESIDENTS will "Run for Fun" at the College of Lake County on Sunday, Apr. 24. The event, sponsored by CLC's intramural-recreational department, is designed for runners to test themselves against the clock and against each other, said Eric Stein, intramural coordinator.

"While there will be tee shirts awarded to first-place finishers in each of 20 categories, anybody who competes is a winner. The real idea is to have fun and to bring attention to the physical-fitness aspects of jogging," said Stein.

Information about the "Run for Fun" may be obtained by calling Stein at 223-6601.

## Mock wedding in ACHS class

A mock wedding ceremony held at Antioch High School was the conclusion to a unit on cost and preparation of weddings. The planned wedding was part of the semester course of Family Living, taught by Ronda Wapon.

The purpose of the class is to better prepare the student for marriage and family life. Topics include: personality, dating, factors in mate selection, marriage planning and adjustments of the newly married couple, pregnancy and child care, financial responsibility and problems of divorce.

ASSUMING THE role of bride and groom were Sheila Haley and Dan DiGiovanni. They were attended by Ken Fitzgerald and Peggy Vaughn. Sallie Nelson, Candy Bailey, James Miller and Don Swanson served as bridesmaids and groomsman.

Rosline Scheske, vocalist, sang "One Hand - One Heart." Bill Nadlehofer took the part of the clergyman. Other students acted out the roles of parents, wrote invitations and made floral bouquets.

A reception was held following the ceremony in which students of the class prepared and decorated a wedding cake and punch was served. Various teachers, students and school administrators acted as guests.

## CLC plans workshop on small lakes

A one-day workshop exploring the natural processes that affect small lakes will be held at the College of Lake County from 8 a.m. to 4 p.m., Saturday, Apr. 23.

The "Management of Small Lakes Symposium" will address itself to the concerns of those who look at a body of water as beautiful, useful and valuable. Discussion will be oriented to understanding the natural changes of lakes and the "aging process" in approaching the problems of care, stabilization and enhancement of the visual appeal of small lakes.

The morning session will address the questions of lake ecology.

The afternoon session will cover watershed management.

Sponsors for the symposium are: Barrington Area Council of Governments; Citizens for Conservation; Cooperative Extension Service; Flint Lake Interested Property Owners Organization; Lake County Department of Planning, Zoning and Environmental Quality; Lake County Soil and Water Conservation District; McHenry County Defenders; McHenry County 208 Local Steering Committee and The Society for the Protection of Endangered Wildlife at CLC.

Cost for the course (CED 718-001) is \$6 per person.

Information about the symposium may be obtained by contacting Dr. John E. Mathwig at the College of Lake County. The phone number is (312) 223-6601, ext. 445.

## Tryouts for next PM&L production

Director Lou Jones has announced tryouts for PM&L Theatre's next production, "The Crucible." Tryouts will be at 8 p.m., Monday through Wednesday, Apr. 18, 19 and 20 at the theatre, 877 Main St.

The play by Arthur Miller dramatizes the Salem witch hunts at the end of the 17th century. The central plot concerns John Proctor, a forthright farmer, his wife Elizabeth, and Abigail, a young villainess who leads a group of girls into mass hysteria.

Abigail tries to eliminate Elizabeth by declaring her a witch. Proctor, attempting to clear his wife, implicates himself. Other central characters are the Rev. Parrish, Rev. Hale, and Deputy Gov. Danforth.

FIVE GIRLS are needed: one who is 10 years old, four who are ages 15-18. There are roles for ten men and five women, ages 25 and up. Young men will be considered for the older roles because makeup can effectively age a person.

Production dates are June 4, 10, 11, 17 and 18.

## Concerts at college

RON BARRON, professional jazz and show drummer, will present a lecture-concert on the evolution of jazz at 1 p.m., Thursday, Apr. 14 at the College of Lake County. Barron will perform with members of the CLC jazz ensemble in the Quiet Lounge (building 1).

Barron has performed for fourteen years in Las Vegas, and has backed such performers as Vicki Carr, June Cristy, Roy Clark and Ray Price. His most recent engagement has been with the Celebration Road Show, a six-piece combination of popular music and traditional jazz.

The lecture-concert is open to the public without charge.

A RECITAL featuring voice students from the College of Lake County will be held at 3 p.m., Sunday, Apr. 17 in Room 505 on the CLC campus. The singers are studying under Warren Fremling.

Among those featured is Kim Kovach of Lindenhurst.

The recital is also open to the public without charge.

SHANNON WILDER, left, 2302 Sand Lake Road, Lindenhurst, and Kenny Marre, Rt. 1, Antioch, bade farewell to Peter Rabbit at the State Bank of Antioch, and happily headed home with their Panasonic portable televisions, presented by John B. Fields, vice president of the bank. Shannon's entry of 3,754 and Kenny's 3,777 came closest to guessing the actual number of 3,756 in Mr. Rabbit's basket for the bank's tenth annual "Guess The Number of Eggs" contest.

## Names in the NEWS

ROBIN HUNLEY, daughter of Mr. and Mrs. Josef Hunley of Antioch and freshman theatre major at Drake University in Des Moines was tapped by the Alpha Epsilon Pi fraternity as a Daughter of the Golden Lion at Drake.

She was among eight to be nominated and selected by the 31 members of the fraternity.

## Bank contest very popular

Peter Rabbit was more popular than ever at the State Bank of Antioch during their 10th annual "Guess The Number of Eggs" contest. Hundreds of children through age 12 submitted their entries.

By Saturday afternoon, the boy and girl guessing closest to the actual egg count of 3756 were Shannon Wilder, age 2, Lindenhurst, guessing 3754, and Kenny Marre, age 7, Rt. 1, Antioch, guessing 3777. As first prize winners, Shannon and Kenny received Panasonic portable televisions.

Two second prize \$10.00 savings

accounts were awarded to Darla Langosch and Kevin Psomas.

Winners of \$2.00 savings accounts were: Kim Bigham, Eric Pastick, Michael Abruzzo, Clinton Owens, Bradley Garretson, Debbie Doty, Maurine Justad, Russell Isbrandt, Ann Marie Dagens, Nancy Bielawski, Bob Heath, Heidi Kufalk and Carrie Romie.

Also: Brett DeRousse, Jennifer Cilik, Ed Antkowiak, Rosette Adkins, Nicky Vlcek, Sheri Napier, Lisa Denny, Scott Rhode, David DeRousse, Doug Sternberg, Jeff Keefer and John Laskowski.

## HAPPENINGS

## Astro- Analysis

By Sonia

**ARIES** [March 21-April 19] - Take time to think things out before making new moves. Curb expensive tastes. By blending communicative abilities with new ideas money problems may be solved.

**TAURUS** [April 20-May 20] - Your involvement with community projects and civic affairs may open new doors of opportunity. Deal with difficult situations cautiously. Avoid legal hassles.

**GEMINI** [May 21-June 21] - Try to stabilize plans. Not a week to make career changes. Consider present status and what future aims are now than set goals for progress.

**CANCER** [June 22-July 21] - Your determination on to perfect working conditions can bring much needed changes. Your effort doesn't go unnoticed; show superiors that you are capable of responsibility.

**LEO** [July 22-August 21] - Don't neglect vocational plans; present routine may need some revision to make room for studies. Keep company with people who tend to share your common interests.

**VIRGO** [August 22-September 22] - Gains thru business or partnership connections are indicated. Be shrewd when it comes to handling papers, documents that require your signature.

**LIBRA** [September 23-October 22] - Accomplishments through business affairs are indicated but guard against the impulse to overextend yourself. New deals should be hashed out thoroughly with mate or partner.

**SCORPIO** [October 23-November 21] - Give more attention to details; concentrate on ending projects that are unfinished. Support comes from people you work with, show gratitude.

**SAGITTARIUS** [November 22-December 20] - Utilize your imagination by cultivating creativity. Engage in entertainment and social events that provide the opportunity to cultivate new friends.

**CAPRICORN** [December 21-January 20] - A quiet week at home with family members seems your best bet. New agreements concerning real estate can be reached. Conserve energy for a more demanding pace soon.

**AQUARIUS** [January 21-February 19] - Attend to intellectual affairs, finish up paperwork. You have an influential effect on others so deal with personal interests now. Include kin and neighbors.

**PISCES** [February 20-March 20] - Shy away from risky projects that could prove costly; budget still demands top priority. Getting things done quickly and efficiently is half the battle won.

## Honor local Jaycees

Several members of the Antioch Jaycees organization participated in the Illinois Jaycees Regional Elections in Elgin during the weekend of Apr. 3.

Representing the Antioch chapter were state director Bob Dubs, a meatcutter with Robin's Hi-Way Foods in Fox Lake; Tim Mortensen, Jaycees director employed with Streeter Amet; Paul A. Kinas, Jaycee local president and assistant cashier at the State Bank of Antioch; internal vice president Bill Anderson, a teacher at Antioch Upper Grade School; external vice president Chuck Spillner; Dave Wick; John Christensen and Tom Muehlfelder.

IN COMPETITION with 14 other entrants from 59 chapters in the North Region, Mortensen won the C. William Brownfield Memorial Award as the outstanding first-year Jaycee. He will compete with other regional winners at the state meeting in Decatur, May 13-15, when the Outstanding First-Year Jaycee

in the State of Illinois will be named.

Tim competed for the regional title on the basis of his understanding of the Jaycee philosophy, individual development through community service, his personal contribution to the Antioch chapter and his goals involving community service.

DUBS WAS recipient of the Traveling Man Award, given for most miles traveled for the Jaycees organization. Bob also competed in the Speak-Up event, judged on the basis of his 15-minute prepared speech as well as a required impromptu speech.

Anderson was entered in competition for the most outstanding Jaycee with two or more years of service to the Jaycees.

Kinas accepted an award for his organization's efforts as the most improved chapter in the North Region.

Dubs and Kinas will broaden their effectiveness in the Jaycees Organization through their election as state officers at the regional meeting.

In 1959, the film "Ben Hur" set an Academy Award record by winning 11 out of its 12 nominations.

## PERSPECTIVES

### The Bible is reliable

By DONALD COLE  
Moody Bible Institute, Chicago

For many who like to read the Psalms and other reputedly literary passages in the Bible, the doctrine of inerrancy is like a bone in their throats; it troubles them very much indeed. In their thinking, God could not have inspired the writing of details which they regard as trivial. Passages such as Paul's request to Timothy to be sure to bring him the cloak he left in Troas seem too unimportant to have been inspired by God.

The objection is understandable. References to matters such as Timothy's stomach ailment, or the young man who followed Jesus into the Garden of Gethsemane and, caught by the guards, slipped out of his linen garment and ran away naked, seem to be a different class than doctrinal statements. However, this may not be the case at all! Who is to say which of the details included in Scripture is trivial, and which is essential?

The truth is, God chose to give us His Word in the form in which we have it. He did not choose to give a series of essays or a long list of propositions. With a little thought, we can see the wisdom of God in using the form in which His Word takes shape. Instead of giving an abstract discussion of the sinfulness of deceit, He records episodes in which deceit revealed its essential nature. The story of David's sin with Bathsheba is a far more effective exposure of the folly of lust,

adultery and murder than the most brilliantly argued polemic.

Hence, it follows that the details such as David's afternoon nap, Bathsheba's bath, etc., are crucial to the story. They are parts of a literary unit, the recording of which was given in response to divine inspiration. To single out details as unessential is to despise the idea of inspiration; it reveals an unscriptural attitude toward the Scriptures.

The Bible's own attitude toward the supposedly unimportant details is clear from various passages. For example, Paul says that "everything that was written in the past (i.e. in the Old Testament) was written to teach us, so that through endurance and the encouragement of the Scriptures we might have hope" (Romans 15:4). In another place, speaking of events that happened during the Exodus, he says that "these things (i.e. the events in the wilderness) happened to them as examples, and were written down as warnings for us..." (1 Cor. 10:11).

Thus, Paul says plainly that matters of time and place and seemingly unimportant details are fruit of inspiration. "All Scripture is inspired by God..." This does not mean that every statement is equally important, but it does mean that every statement is equally reliable. If the Bible says it happened, it happened, and it happened as described. The Bible is God-breathed and is therefore reliable in everything it says.

the seminars explaining these programs and comments, "I want someone qualified to receive this money for our village - our people contribute; they should get something back."

Mrs. Sterbenz has attended village board meetings for 17 years, also showing devotion to the "Hub of the Lakes Region" as one of 10 Antioch Bicentennial Commission members.

"I'm proud of Antioch's heritage," she said. "This is a unique town ... the greatest little town in the United States."

Mrs. Sterbenz helped form the Municipal Clerks of Lake County in 1972, serving as president for

two years. She is currently secretary of that organization. Her credentials also include graduation from the University of Illinois' Clerks Institute last fall and various government, planning and zoning, accounting and budgeting courses at the College of Lake County.

Senior citizen programs have always been high on her priority list. She was instrumental in achieving half-fare taxi rides for seniors. In addition, she helped make assistance available at the State Bank of Antioch and Antioch High School for those with questions about governmental applications.

"I don't lead, but I guide," she said. "I've been

able to speak my mind ... that's important." Though the clerk does not have a vote, she is interested in maintaining present, controlled growth and working for a local bus to transport people into the village from the township.

Mrs. Sterbenz has spent summers in Antioch all her life. She and her husband, Joe, have two sons and two daughters and live at 920 David St.

**IN THE 25 YEARS** since Simonsen was a trustee for six years, he has been an important asset to the water and sewer, and public works departments.

He established the public works department in 1958, serving as its first superintendent for 11 years. From 1969 to 1974, he worked at the sewage treatment plant and water works.

During the past three years, he has had an advisory role to the superintendents of public works, maintained parking meters and assisted in the sawmill reconstruction project.

nor businesses that would conflict with or influence mayoral responsibilities or decisions. My only special interest group is YOU and I - the people who live in Antioch."

"I care about the people of Antioch, from its youth to its senior citizens," he said. "Soon after elected, I will seek to obtain a federal grant to build a Civic Center for the benefit of every citizen."

"I want Antioch to grow in a regulated, orderly fashion. Your problem - no matter how small - is my concern," Walsh said.

**TOFT IS CALLING** attention to his 12 years of experience in village government. His platform includes "improvement of the police department, an attempt to cure traffic and parking problems, and zoning and annexation that is fair and for the best interests of all citizens."

He said the village sidewalk and street resurfacing programs were started eight years ago, during his administration. Village parking lots were all purchased prior to four years ago, too, Toft said.

Toft was appointed to a village trustee post in 1961 and then was elected as a trustee in 1963. That led to his mayoral victory in 1965.

The Antioch police department was put on 24-hour dispatch service during his years as mayor, Toft said.

"We got Lake Villa and Lindenhurst to come in and help defray the cost of our first dispatcher," he said. "Prior to that the hours were 9 a.m. to 5 p.m. with an answering service in the chief's home."

**TOFT SERVED FOR** more than 20 years as a volunteer fireman in Antioch. He also cites his record as a leader in the community's recreation program, pointing out that the Little League park was lighted during his administration, the skating rink was opened in Osmond Park and, when he was a trustee, he and others used their own manpower to build tennis courts for the community.

Toft and his wife, Joan, live on Harden St. They have two daughters, Deborah, 23, and Kathy, 21.

Is The Honeymoon Over?

## Current village officials head CAP

Four of Antioch's six trustees are seeking re-election in the Tuesday, Apr. 19, voting ... hoping to retain their leadership in village government.

Along with village treasurer Shirley Gutowski and the chairman of Antioch's zoning board, Donald H. Amundsen, they have formed the Citizens' Action Party (CAP).

It is the only full-slate ticket on the Apr. 19 ballot and is headed by Michael J. Haley, now a village trustee who is seeking the post of mayor.

Mayor Robert C. Wilton is not seeking re-election because he is moving outside the village. Wilton is backing Haley's candidacy. The two have worked closely in the last four years, Wilton as mayor and Haley as a trustee.

Mrs. Gutowski is the party's candidate for village clerk. She is running against the incumbent clerk, Marilyn J. Sterbenz. Seeking re-election to trustee posts are William H. Seemann, Ronald J. Cunningham and Judith I. Phillips.

**HALEY LIVES WITH** his wife, Susan and two daughters, Jennifer, 5, and Megann, 16 months, at 499 Lake St. in Antioch. He attended St. Peters' school, Notre Dame High School, DeVry Technical Institute and the National Institute of Dry Cleaning.

Mike is the owner of the Haley Brothers Cleaning firm in Antioch and before entering military service was employed as a senior laboratory technician with the Smith Corona Corporation.

He has been a member of the Antioch Rescue Squad for 14 years and is a certified paramedic. In addition he is a member of the Antioch Chamber of Commerce & Industry and the Antioch Lions Club. For six years he was a Boy Scout leader in the village.

In his four years as village trustee, Mike has served as a member of the public works, sidewalks, finance, police, safety, housing, off-street parking, and civic activities committees.

"The desire for continued good government that is responsive to the people" is the key to his candidacy for mayor, Haley said.

Shirley Gutowski, candidate for clerk of the village of Antioch, has lived in Antioch since 1949. She resides at 489 Crest Lane with her husband, Bernie, and their four children, Mike, Tom, Dave and Donna.

Shirley was educated in the Antioch school systems and has attended IBM business school.

# You reduce your heat loss. We'll reduce our rates.

Our Winterizer home improvement loans are now available at special rates just 9 percent annual percentage rate.

The reason is simple. The energy you waste because of insufficient home insulation not only costs a great deal in utility bills, but it can literally cost our community jobs.

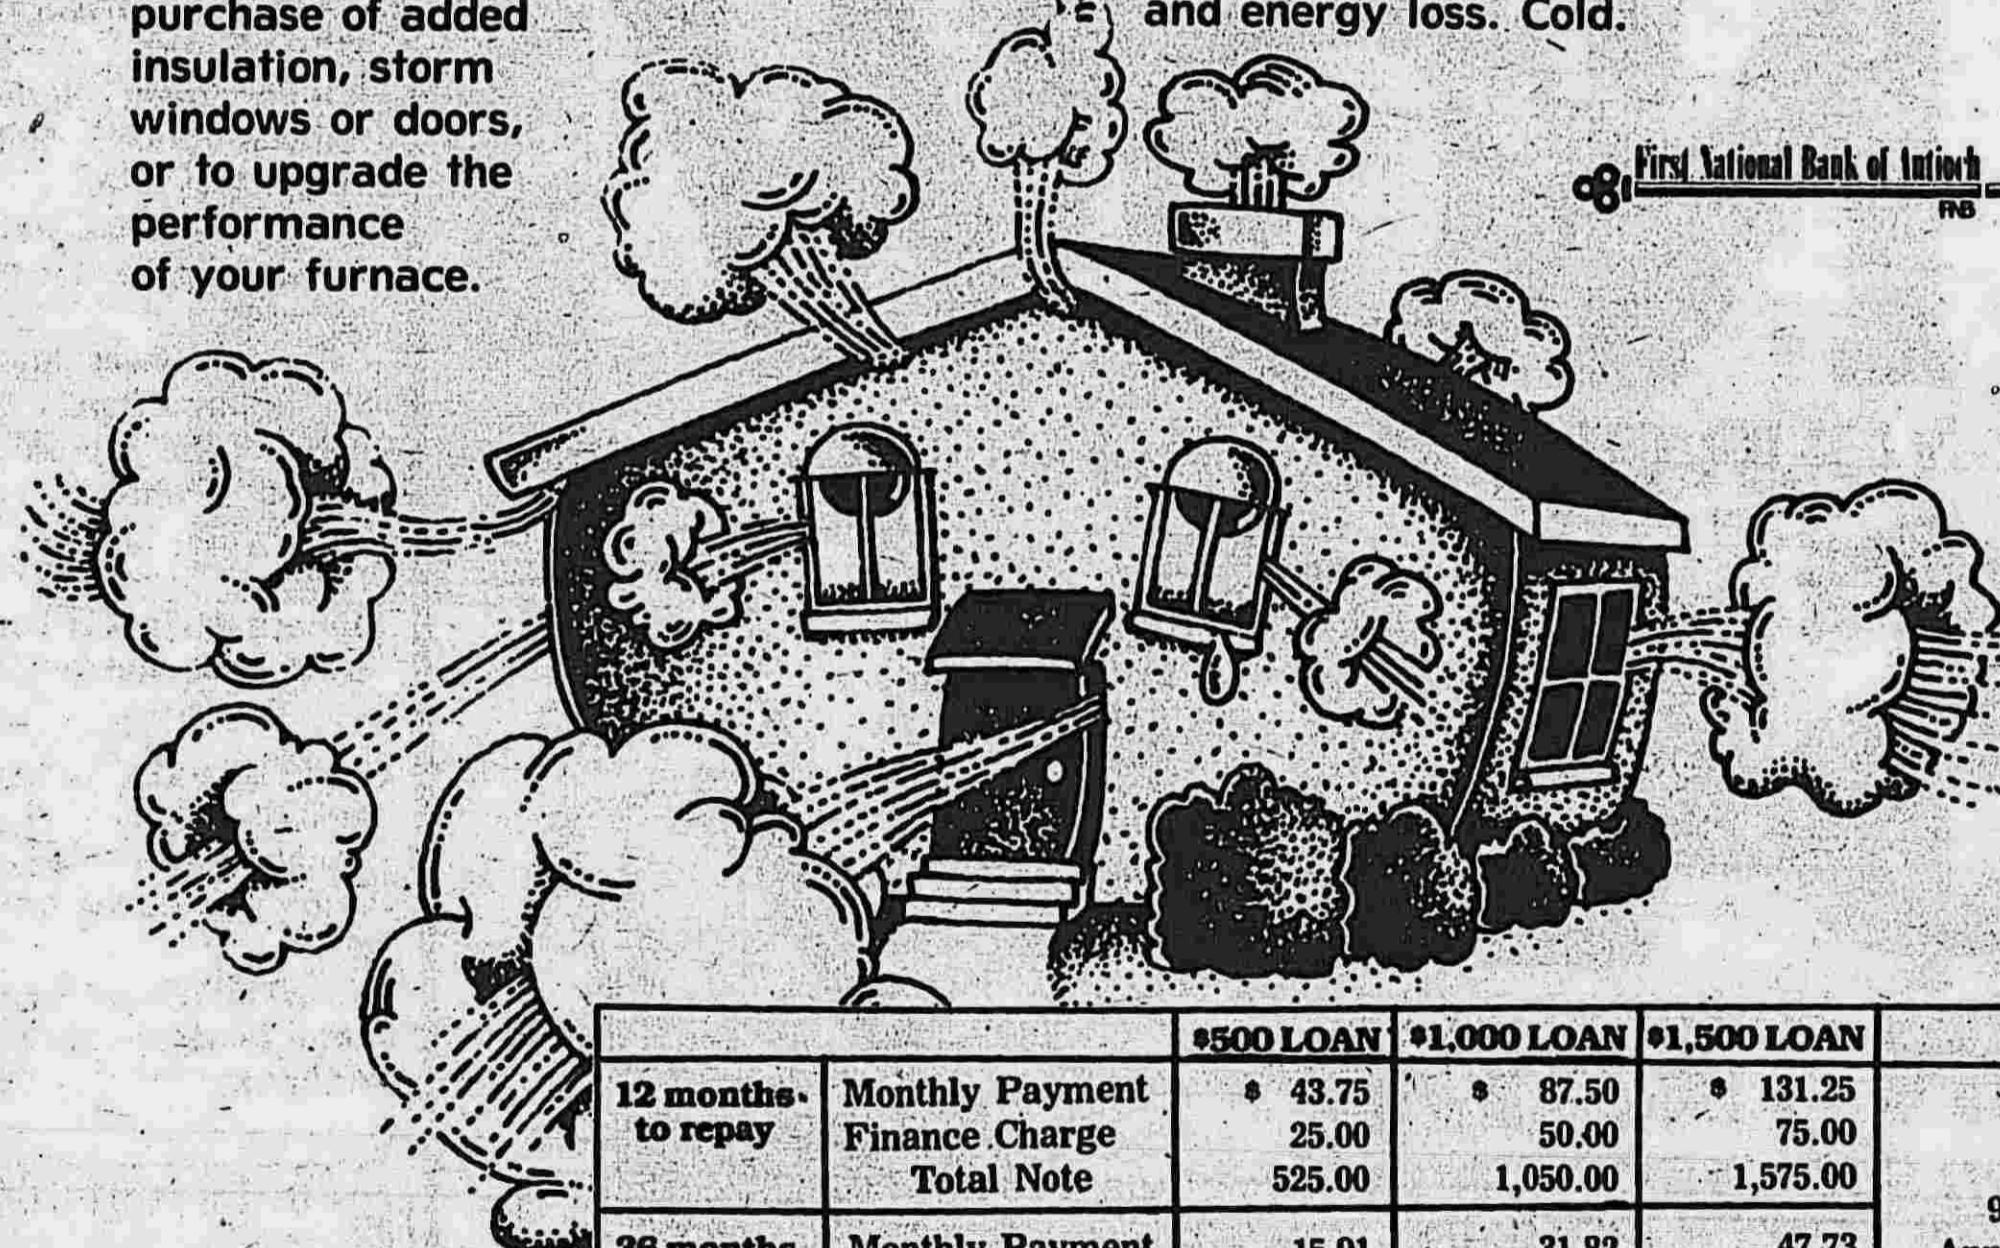

That's why we urge you to take advantage of our special Winterizer Loan now! It can be used for the purchase of added insulation, storm windows or doors, or to upgrade the performance of your furnace.

You can take up to 60 months to repay, and besides saving on loan rates, you'll save on fuel costs - all year long.

So take a look around your home. Decide what you need to make your home more energy efficient. Then visit the First National Bank of Antioch and apply for your Winterizer Loan.

Because this year it's more important than ever to cut heat loss, and energy loss. Cold.

## BREAKER 19

By DANIEL DeFOSSE  
Howdy, Howdy.

Now that we have been assigned by the Antioch News to write a CB column, we hope to be bringing you some good articles.

We will try to cover things that you, the new or old-hand CB'ers, want to know. Our first will have to do with some of the prevailing problems in our area today.

LATELY, WE HAVE been noticing a lot of CB'ers using foul language over the air. Not only is this very distasteful, but the penalty for this can be very unpleasant. The following is from FCC public notice, Feb. 15, 1977:

An Indianapolis man has been sentenced to a year in prison for transmitting obscene language on his CB set and six months for illegal operation of the set.

The sentences are to be served concurrently. His arrest resulted from an investigation by the Federal Bureau of Investigation and engineers from the Chicago office of the FCC.

The probe followed complaints of interference and illegal use of the CB by neighbors and other CB radio users.

The obscenity conviction involved violation of Title 18, Section 1464 of the criminal code.

The illegal operation case was violated of Section 301 of the communication act.

WE ASK YOU all to remember this when you are on the air, 'cause we sure would hate to see any of our good buddies in jail.

One final note on this ... don't think that this area is too small for the F.C.C. to check up on. Secondly, it

seems like almost everyone either doesn't know or has forgotten the basic rules of courtesy.

Here are a few to remember. They will help make the CB more enjoyable for all of us.

Please ask for and wait for the break. Do give the break to others after a reasonable time. Remember, you are not the only person on any given channel.

Don't talk over someone else just because you have a stronger unit. You may find yourself in the same spot someday. Give your call letters before and after each transmission. This also helps others to contact you.

Please do not allow children to use your CB without adult supervision. The CB is not a toy!

Use channel 19 for short transmissions and information only. There is nothing more annoying than trying to contact someone for information and finding a couple of people hogging the channel for just the sake of talking.

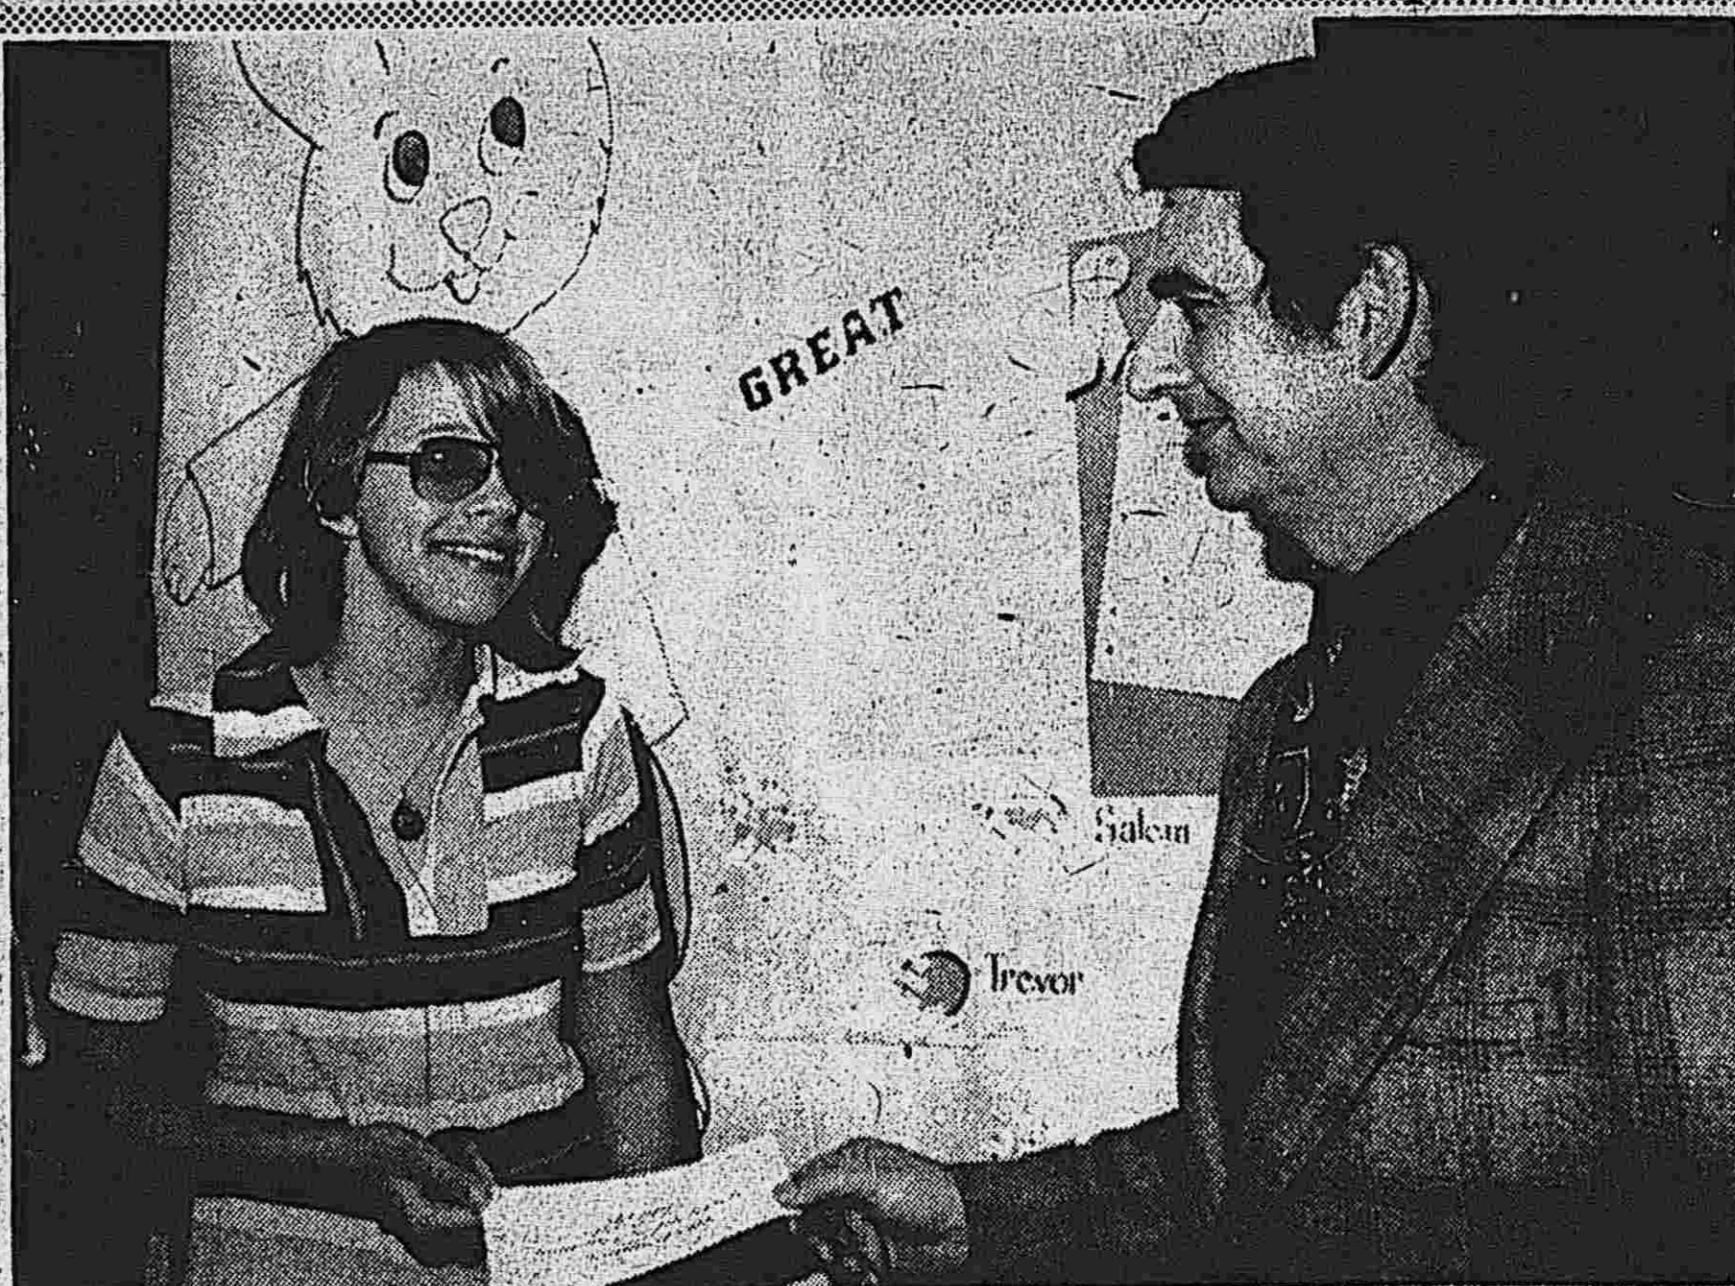

Certain channels are set aside for sidebanders in this area. Be courteous and stay off those channels with A.M. transmission.

This is a courtesy on both sides, otherwise, no one will be able to enjoy the radio as sideband and A.M. CB are not compatible on the same channel.

FOR THOSE OF YOU who seem to enjoy sending dead carries, you are all alone in your sense of humor. What you are doing is also contrary to the law. In the end result, you hurt only yourself.

We hope our future articles will not need to repeat the theme of this one. We will close with a note of good tidings to all. I hope you will be with us next week.

Judy Phillips, candidate for the two-year term for trustee of the village, resides with her husband, George, and their three teenagers, Steven, Mark and Ann, at 351 Bridgewood Drive. The Phillips are members of St. Peter's Church.

Judy attended Rock Valley College in Rockford, majoring in accounting.

Judy was appointed to the Antioch Plan Commission in August, 1974. In January of this year, Judy was appointed a trustee of the village.

"Further development of the park program and solving parking and traffic problems in the downtown area are very important," she said.

William H. Seemann, candidate for trustee, resided with his family at 649 Longview Drive. Bill and Mary have three children - William Jr., 18; Stephanie, 7; and Christopher, 5.

A teacher at Antioch High School for the past 20 years, Bill received his B.S. and M.S. degrees from Western Illinois University.

As chairman of the parks and playground committee, along with the park commission, Bill has been instrumental in developing park and recreational activities for all citizens of Antioch.

Bill said he feels "it is only too easy to criticize government at any level, but only competent elected officials can rectify the difficulties."

Donald H. Amundsen, candidate for trustee, has lived for the past eight years at 508 First St. in Sequoit Terrace with his wife Gerri and their three children, Glen 22, a senior at Augustana College; Sue 17, a senior at Antioch High School, and Carl 12, a seventh grader at the Upper Grade School.

MR. ARNOLD,

ROBERT C. WILTON

To The Citizens of The Village of Antioch.  
It is with deep gratitude that I thank you  
for giving me the honor of serving eight  
years as a trustee and four years as your  
Mayor.

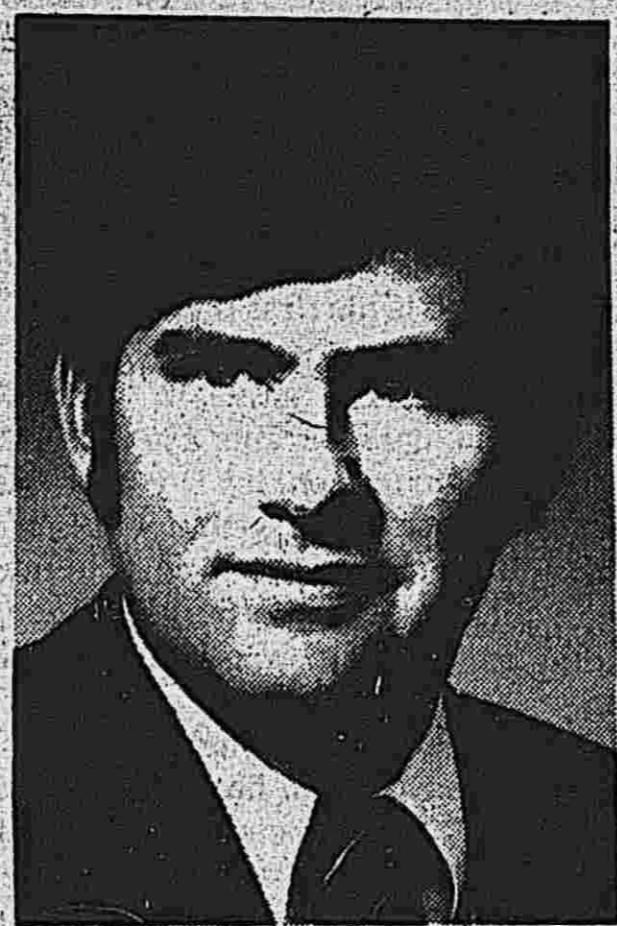

Our administration initiated "Open Committee Meetings" which has brought about a tremendous amount of interest and citizen participation. Through these "Open Meetings" everyone has had an opportunity to voice his opinions on any issue.

New programs were developed and problems which plagued the village for many years were solved, such as: The elimination of flooding at North Ave. and Oakwood Knolls, and along Sequoia Creek. We also provided more off-street parking. A Comprehensive Land Use Plan was adopted through endless hours of hard work by the Plan Commission. This plan will serve as a guide to all future developments within the village. An ordinance was passed requiring developers to pay a separate fee for the expansion of the Sanitary Sewer Plant. Prior to this, cost of treatment plant expansions were absorbed by all the taxpayers. The Mayor and one Trustee were eliminated as members of the Plan Commission. This allowed two additional people an opportunity for involvement in our village government.

The first Park Committee was appointed. A high priority of this committee was the purchase of the property known as Dr. Jensen Park. Through citizen and civic group donations, tennis courts, playground equipment, a water fountain and a shelter were provided. With this committee's efforts a co-usage agreement was passed with our local schools allowing citizens the use of these facilities when not in use by the schools. The Village of Antioch purchased the fence enclosing the tennis courts at the high school. We hired our first Park Director who is responsible for many park programs including girls softball, arts and crafts, etc. These park programs have been self-supporting through payment of a nominal fee by each participant in an activity.

We are presently working with senior citizens. We have assisted them by making available the use of the Scout House for their lunch programs. As of May 1st a program for subsidizing "Cab Fares" will begin. We are currently working with two developers in hopes that senior citizen housing will shortly become a reality in our village.

As Mayor and a member of the village board for twelve years I have had the opportunity to work with many fine village officials. At this time I would like to endorse the following candidates.

MICHAEL J. HALEY  
MAYOR

Mike has been an outstanding trustee. He possesses strong leadership qualities and a genuine concern for all people of our village. His dedicated service on many committee assignments, especially public works, finance, housing and civic activities, distinguishes him above all others, as having the knowledge, ability and time to administer the duties of mayor. I strongly recommend to the voters of the Village of Antioch, that he be returned to the village board as mayor.

SHIRLEY A. GUTOWSKI  
CLERK

For the past four years Shirley has functioned as acting clerk on numerous occasions and has served as Treasurer of the Village for four years. Through her involvement in these services Shirley is well qualified as a candidate for clerk.

DONALD H. AMUNDSEN  
TRUSTEE

Don was one of our Appointees to the Plan Commission on May 7, 1973. During the past four years, Don has played an active role in planning, development, growth and the "Comprehensive Plan." Recently Don has been appointed Chairman of the Zoning Board of Appeals. Don's dedicated involvement in all facets of Village Government convinces me that his expertise is a much needed quality on the Village Board.

RONALD J. CUNNINGHAM  
TRUSTEE

Ron, who has been a life-long resident of Antioch has always been concerned about the present and the future of Antioch. He is a responsive, capable and dedicated trustee, Ron has served as chairman of the Planning and Zoning Committee, and the Fire Department Committee. Since many developers approach our Village Board, I feel Ron's knowledge of Planning and Zoning requirements and his commitment to fire protection for the village necessitates Ron's return to office.

WILLIAM H. SEEMANN  
TRUSTEE

Bill has been an active and dedicated trustee. Through Bill's Chairmanship of the Parks and Playgrounds Committee, he has been responsible for developing recreational activities for all citizens of Antioch. Bill was a leader in the passage of the Subdivision Ordinance, which requires developers to pay their way to schools and to the sewer treatment plant. His strong stands on controversial issues, convince me that Bill is "his own man," and will vote his convictions on any issue that comes before the village board.

JUDITH (JUDY) PHILLIPS  
TRUSTEE

Judy was appointed to the Plan Commission in 1974. She has actively demonstrated her interest in Village Government by attending Village Board meetings, as an interested Plan Commission member. Judy's total commitment to the Village of Antioch, together with her impressive contribution as a newly appointed trustee, convince me that her election is important to the Village.

CITIZENS' ACTION PARTY

Concerned  
About  
People

During our past administration of Village Government, we have demonstrated that we did get needed work done. Therefore, I strongly urge all citizens of Antioch to vote for CAP - the Citizens Action Party on Tuesday, April 19th. Only through these qualified people, can the present programs continue and future problems be resolved in the best interest of all citizens.

ROBERT C. WILTON

Judy was appointed to the Antioch Plan Commission in August, 1974. In January of this year, Judy was appointed a trustee of the village.

"Further development of the park program and solving parking and traffic problems in the downtown area are very important," she said.

William H. Seemann, candidate for trustee, resided with his family at 649 Longview Drive. Bill and Mary have three children - William Jr., 18; Stephanie, 7; and Christopher, 5.

A teacher at Antioch High School for the past 20 years, Bill received his B.S. and M.S. degrees from Western Illinois University.

As chairman of the parks and playground committee, along with the park commission, Bill has been instrumental in developing park and recreational activities for all citizens of Antioch.

Bill said he feels "it is only too easy to criticize government at any level, but only competent elected officials can rectify the difficulties."

Donald H. Amundsen, candidate for trustee, has lived for the past eight years at 508 First St. in Sequoia Terrace with his wife Gerri and their three children, Glen 22, a senior at Augustana College; Sue 17, a senior at Antioch High School, and Carl 12, a seventh grader at the Upper Grade School.

ROBERT C. WILTON

To The Citizens of The Village of Antioch. It is with deep gratitude that I thank you for giving me the honor of serving eight years as a trustee and four years as your Mayor.

Our administration initiated "Open Committee Meetings" which has brought about a tremendous amount of interest and citizen participation. Through these "Open Meetings" everyone has had an opportunity to voice his opinions on any issue.

New programs were developed and problems which plagued the village for many years were solved, such as: The elimination of flooding at North Ave. and Oakwood Knolls, and along Sequoia Creek. We also provided more off-street parking. A Comprehensive Land Use Plan was adopted through endless hours of hard work by the Plan Commission. This plan will serve as a guide to all future developments within the village. An ordinance was passed requiring developers to pay a separate fee for the expansion of the Sanitary Sewer Plant. Prior to this, cost of treatment plant expansions were absorbed by all the taxpayers. The Mayor and one Trustee were eliminated as members of the Plan Commission. This allowed two additional people an opportunity for involvement in our village government.

The first Park Committee was appointed. A high priority of this committee was the purchase of the property known as Dr. Jensen Park. Through citizen and civic group donations, tennis courts, playground equipment, a water fountain and a shelter were provided. With this committee's efforts a co-use agreement was passed with our local schools allowing citizens the use of these facilities when not in use by the schools. The Village of Antioch purchased the fence enclosing the tennis courts at the high school. We hired our first Park Director who is responsible for many park programs including girls softball, arts and crafts, etc. These park programs have been self-supporting through payment of a nominal fee by each participant in an activity.

We are presently working with senior citizens. We have assisted them by making available the use of the Scout House for their lunch programs. As of May 1st a program for subsidizing "Cab Fares" will begin. We are currently working with two developers in hopes that senior citizen housing will shortly become a reality in our village.

As Mayor and a member of the village board for twelve years I have had the opportunity to work with many fine village officials. At this time I would like to endorse the following candidates.

MICHAEL J. HALEY  
MAYORSHIRLEY A. GUTOWSKI  
CLERK

For the past four years Shirley has functioned as acting clerk on numerous occasions and has served as Treasurer of the Village for four years. Through her involvement in these services Shirley is well qualified as a candidate for clerk.

DONALD H. AMUNDSEN  
TRUSTEE

Don was one of our Appointees to the Plan Commission on May 7, 1973. During the past four years, Don has played an active role in planning, development, growth and the "Comprehensive Plan." Recently Don has been appointed Chairman of the Zoning Board of Appeals. Don's dedicated involvement in all facets of Village Government convinces me that his expertise is a much needed quality on the Village Board.

RONALD J. CUNNINGHAM  
TRUSTEE

Ron, who has been a life-long resident of Antioch has always been concerned about the present and the future of Antioch. He is a responsive, capable and dedicated trustee, Ron has served as chairman of the Planning and Zoning Committee, and the Fire Department Committee. Since many developers approach our Village Board, I feel Ron's knowledge of Planning and Zoning requirements and his commitment to fire protection for the village necessitates Ron's return to office.

WILLIAM H. SEEMANN  
TRUSTEE

Bill has been an active and dedicated trustee. Through Bill's Chairmanship of the Parks and Playgrounds Committee, he has been responsible for developing recreational activities for all citizens of Antioch. Bill was a leader in the passage of the Subdivision Ordinance, which requires developers to pay their way to schools and to the sewer treatment plant. His strong stands on controversial issues, convince me that Bill is "his own man," and will vote his convictions on any issue that comes before the village board.

JUDITH (JUDY) PHILLIPS  
TRUSTEE

Judy was appointed to the Plan Commission in 1974. She has actively demonstrated her interest in Village Government by attending Village Board meetings, as an interested Plan Commission member. Judy's total commitment to the Village of Antioch, together with her impressive contribution as a newly appointed trustee, convince me that her election is important to the Village.

About

People

During our past administration of Village Government, we have demonstrated that we did get needed work done. Therefore, I strongly urge all citizens of Antioch to vote for CAP - the Citizens Action Party on Tuesday, April 19th. Only through these qualified people, can the present programs continue and future problems be resolved in the best interest of all citizens.

years, he was its chief for 17 years. He also built three "grassfire jeeps" for the squad.

Simonsen believes his retirement gives him "enough time to do the homework and legwork involved in the job."

Though he says village growth has been "normal and satisfactory," he mentions traffic conditions, streets and sidewalks as areas that need attention.

A resident of Antioch for 66 years, he lives at 989 Victoria St.

**HOPING TO RETURN** to the office of trustee is Barnstable, who served from 1969 to 1973.

He feels this experience, combined with the extra time his recent retirement offers, heads his qualifications. Though born and raised in Lake Villa, he is very interested in this village.

"I would be for a tighter law enforcement program," he said. His priorities also include continuation of the park program, citing improvement of Williams Park facilities as one example, and continued growth of Antioch.

"I enjoyed being on the village board," he added. "I would go to the people if they had a problem; I feel I would be better able to commit myself to the people and their problems. This can make the people feel important and confident that I would take a personal interest in solving their problems."

Barnstable has resided in Antioch for 43 years. He is now deputy chief of the Antioch Fire Department, having served on the force for 35 years.

His activities include: membership in the Moose Lodge, Republican Club, Bi-State Snowmobile Club, Sequoit Snow Chiefs, and Bluff Lake Resorts.

He and his wife, Dorothy, live at 1055 Spafford St. and have two children and two grandchildren.

"I'M NOT a rabble rouser," says trustee candidate Kasik. "But I do want to present some new views and opinions on the village board."

Though this election is his first try for office, he has shown his interest in the town's welfare in other ways. He has been active in the Little League organization, band parents and a member of the Antioch Fire Department for 17 years. Kasik has lived in the village for 23 years.

"I would like to see the board unified, to make a decision and stick with it," he said. He gave as an example the conflict over and changes to the sign ordinance.

"I want to represent the whole town," he continued. "The park program has made steps in the right direction - I'd like to see that kept going in that direction." Among his suggestions are a park in the Village Green subdivision area and full utilization of school facilities (especially tennis courts and ball fields).

His concerns also include parking off Main St. and the "need to do more for industry to help alleviate the tax burden for residents by keeping industry happy." He believes paving McMillen Rd. would help reach the latter goal.

Kasik is service manager at the Lyons-Ryan Ford-Lincoln-Mercury agency, where he has worked for 10 years. He and his wife, Joan, live at 753 Hillside Ave.

## to the Editor

In response to recent controversies over our Antioch police department, we think it necessary that the readers of this newspaper be given some information about Chief Jack Wells and company, side stepping political overtones in favor of straight talk. In the hope that a good man who has done a good job, will know that some of us remember the condition of the department he took over, and, the integrity that he has brought back to it.

IT HAS BEEN our pleasure to be associated with Antioch, Ill. for over three years now. As businessmen, open 24 hours each day, with at least one of us being ever present, we would like to account to you the other side of this controversy: the many nights Jack Wells was called out in the early morning hours witnessed by us as Jack would occasionally stop by for a cup of coffee on his way home, the excellence in which he and his men have handled those early morning disturbances in places of business in downtown Antioch; the rapport he has established with this restaurant, and all of the business people of Antioch that we know; those colorful contributions to community projects and affairs that we seem to just expect from public servants.

Most of all, I guess it's just the way Jack Wells and company have given us a sense of security as business people and residents alike. As long as I have been here, professional help has only been a phone call away.

WHILE OTHER PARTS of Lake County are having their murders in the south, and police strikes in the east, we in the northwest feel somewhat removed from all of that.

A good man is taking a bum rap.

If you are still wondering about all of this, ask yourself why they waited until now.

# Antioch track, baseball teams open seasons

Antioch High's track and field team placed second last Saturday in its own invitational meet. Libertyville won the event, with 116 points.

Antioch scored 80, Notre Dame of Niles 34 and Waukegan East 32.

Meet highlights included a 4:30.5 mile by Pete Amann of Libertyville and a shot put of 59 feet 7 inches by Jim Lenzini of Libertyville.

Antioch won six events including two relays. Individual Sequoit winners were Bill Harland in the 880-yard run at 2:01.5, Jim Crutchfield in the 220-yard dash in a tie with East's Cal Livingston at 24.3, Steve Pilcher in the long jump at 20-6, and Chris Ano in the high jump with an excellent leap of 6-4 1/4.

THE SEQUIT BASEBALL team lost a doubleheader to Zion-Benton here last Saturday. The scores 10-4 and 10-1.

Zion now has a 4-0 record and Antioch was 1-2 after the double defeat.

John Eder's run scoring triple gave Antioch a brief 1-0 lead in the first inning of the opening game, but a three-run rally in the top of the second, sparked by Ricky Collins' two-run triple, put Zion on top to stay.

Antioch cut its deficit to 7-3 in the bottom of the third on Pat Houghton's homer.

Houghton broke up McCallister of Zion's no-hitter with a single in the sixth inning.

"We didn't look good at the plate in either game and our pitching and defense wasn't adequate," said Antioch coach Tom Baba.

The Sequoits opened their Northwest Suburban season at Dundee Tuesday.

## Antioch netmen open with win

The Antioch High School tennis team had its first meet of the season last Thursday at Jensen Park.

Both the varsity and sophomore squads beat McHenry by scores of 5-0. Overall, the Sequoits won 12 of 14 matches in the convincing victory.

ON THE VARSITY level, Antioch won every match in straight sets except first singles, where Dennis Korpeneck came from behind (5-7, 6-2, 6-4).

Bob Nasenbeny lost one game in two sets at second singles. Matt Warner and Mark Mandrowski handily beat a fine doubles team, 6-1, 6-3.

The sophomores were led by Tom Surrock, Roger Korpeneck, Phil Rezin, Tom Melhorn and Andy Dziki.

With four meets this week, coach Ron Halpern says Antioch's fine team will be tested.

## Openings on league

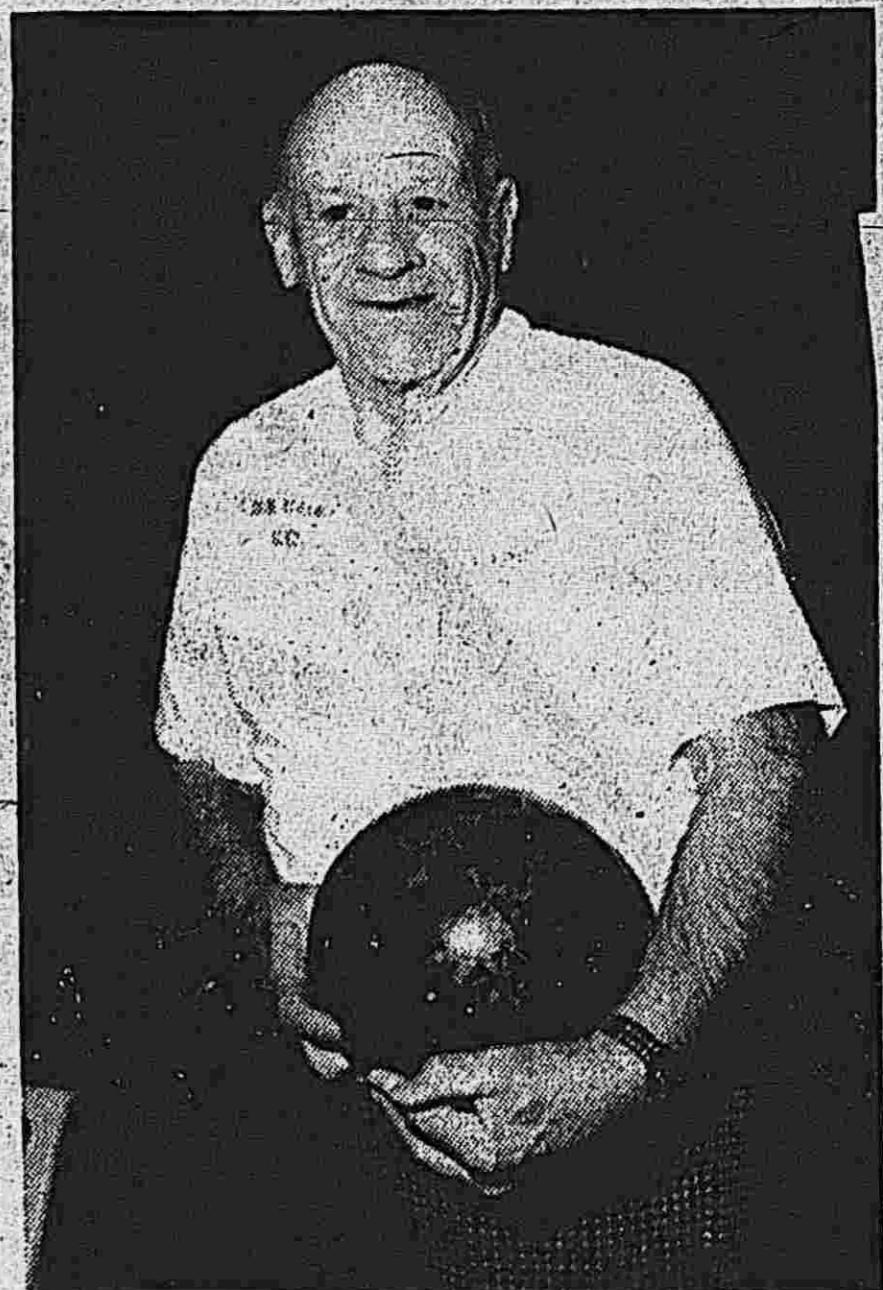

The Antioch Girls Softball League still has several openings for players.

Registration is now from 8:30 a.m. to 4:30 p.m., Monday through Friday, at the village hall, 874 Main St.

To join the junior league, girls must have turned 10 years old by Dec. 1976; to join the senior league, 13 years old by Dec. 1, 1976.

The fees will be \$6 for one girl; \$11 for two and \$15 for three or more. This year each girl will be required to purchase her own uniform shirt, which she may keep after the season.

Those interested in coaching should call 395-2160.

NICK IBACK, 69, rolled a 277 on Apr. 1 at the Antioch Bowling Lanes. The Round Lake Beach resident participates in senior citizen bowling at the lanes every Wednesday and Friday.

## Local swimmer set for YMCA championships

Sue (Boofie) Harrison, 14, a member of the Camp Duncan "Dolphins" YMCA Swim Team will be leaving shortly to spend a week in the Florida Sun.

Having made the National Standard qualifying time, she will be attending the National YMCA Swimming Championships, Apr. 20-23, held at the Hall of Fame, 50-meter Olympic pool in Fort Lauderdale.

THIS SWIMMING event will climax her winter season which also included both the YMCA District and State Championships, where she received awards, placing in both stages of competition.

Sue, the daughter of Mr. and Mrs. Robert Harrison, is a freshman at Antioch High School. This year, under the sponsorship of the school's athletic department, she attended the Illinois High School Association District competition where she and three other freshmen and two sophomores placed Antioch on the scoreboard.

Sue scored in the 500-yard freestyle and again in the 200-yard freestyle relay team along with Judy Houghton, Karen Shepard and Sheryl Harrison.

## Baseball tryouts

Antioch Little League and Babe Ruth League have set their tryout dates.

TRYOUTS FOR Little League will be held Saturday and Sunday, Apr. 23 and 24, at the Antioch Upper Grade School. Nine-year-old registrants are to be at the school with glove in hand at 9 a.m. that Saturday; 10-years-old, 1 p.m. On Sunday, 11 and 12 year olds are to be at the school at 1 p.m.

BABE RUTH tryouts for 13, 14 and 15 year olds will be at 1 p.m., Sunday, May 1 at the high school field.

A few openings are still available in various age groups for late registrations. You may call Dick Witt, director of late registrations, at 395-1089; or Robert Berchtold, secretary, at 395-2224.

## High School girls open softball season

The Antioch girls varsity softball team began its 1977 season with an 18-13 loss to Libertyville.

Antioch took an early 4-0 lead which evaporated during a third inning, eight-run burst by Libertyville.

Antioch answered with two runs in the fourth and six in the fifth, but Libertyville continued scoring in the remaining innings.

Lapses in the defense and erratic base-running cost the girls from Antioch dearly.

Lutheran Church. He has served as Sunday School teacher and superintendent.

For seven of the past eight years he has been a member of the church council and is currently serving as vice-president. He has been active in the Antioch Little League and is a former member of the Rotary Club.

Don has been a member of the Antioch Plan Commission and has played a direct part in the development of Antioch's "Comprehensive Plan." For the past year he has served as chairman of the Antioch Zoning Board.

Don says he is particularly interested in advancing the cause of senior housing and in helping to solve pressing problems, such as basement flooding.

"In spite of the fact that much progress has been made in the past four years our goal is to do even more to further the idea that Antioch is a great place in which to live and work," he said.

Ronald J. Cunningham, candidate for trustee, is running for re-election to a second term.

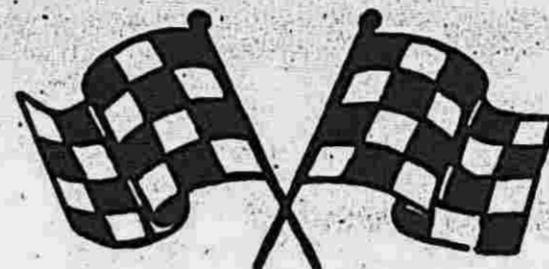

Ron is vice president of the Cunningham Cartage Co., where he works with his father and brother. They specialize in excavating, moving and are contracted with the U.S. postal service.

Ron lives with his family at 154 E. North Ave., Antioch. Mary and Ron have two daughters, Sandra, 10, and Julie, 6. They are members of the Antioch Methodist Church.

Besides military duty, he is past president of the Antioch Fire Dept. and a member of 13 years.

During his first term as trustee, Ron was acting chairman for 2 years of the planning and zoning committees and chairman of the safety committee involving the police and fire departments.

Through his involvement in village government, Ron says he became even more enlightened as to the prime concern of Antioch citizens. His interest in the future of Antioch is very much a part of his life, he said.

### They're off, running at Lake Geneva track

Vaughn Gerke, late model stock car driver from Beloit, who finished second in 1976 point standings at the Lake Geneva Raceway, started the 1977 season by winning twice in the opening night of racing.

His wins were in a 10-lap heat race and a 25-lap feature.

Feature races were also won by Fran Baumgartner, Genoa City, the defending champion in the sportsman class and by Bill Henry, also of Genoa City.

Baumgartner's win in the 15-lap feature made it a clean sweep as he also won the 10-lap heat race and set fast time.

Racing will continue each Saturday night with the drag strip action starting Sunday mornings and afternoon, Apr. 17.

## OBITUARIES

### June Martini

Mrs. June B. Martini, 59, of 311 Burnett St., Lake Villa, passed away Wednesday, Apr. 6, at St. Therese Hospital in Waukegan.

She was born June 23, 1917 in Chicago and lived there until moving to the Lake Villa area 25 years ago.

Mrs. Martini was a singer and entertainer for many years.

Survivors include her husband, Kenneth; two brothers and two sisters.

Funeral services were held at the Strang Funeral Home, Antioch. Interment was in Ridgewood Cemetery, Des Plaines.

### Louis J. Nielsen

Mr. Louis J. Nielsen, 81, of Antioch passed away at his home on Tuesday, Apr. 12. He was born Apr. 26, 1895 in Chicago.

He had operated L.J. Nielsen Wholesale Meats from 1919 until 1929 in Chicago, then moved to Petite Lake in 1922 and started Nielsens Corners in 1931 until retirement in 1942.

He married Rose Smith on Dec. 2, 1916 in Chicago and she preceded him in death on Dec. 10, 1968.

He was a member of Medinah Temple of the Shrine A.A.O.N.M.S. in Chicago since 1921 and a Chicago Masonic Lodge.

He is survived by one son, Louis W. Nielsen of Antioch; one sister, Mrs. Carrie Augustine of Melrose Park, Ill.; and two grandchildren. He was preceded in death by one sister and three brothers.

Private funeral services will be held tomorrow at the Strang Funeral Home in Antioch. Rev. Stephen Williams of the Antioch United Methodist Church will officiate. Interment will be in Hillside Cemetery. There will be no visitation. Memorials may be given to the Antioch Rescue Squad in lieu of flowers.

### Restorations

Your cherished memories don't have to stay tucked away in that attic trunk or in the old family album you pored over as a child. They can be made to glow again ... in an honored place in your home or as a gift to someone dear.

Stop in soon and bring your old photographs for an estimate.

## J.I. (Irv) Walsh For Mayor of Antioch

Irv is the only candidate with 45 combined years of continuous service to the community.

- 14 years (4 terms) as a Trustee on the Village Board.

- 31 years as a volunteer firefighter.

It adds up to more experience and concern than all other candidates combined.

Irv Walsh is a lifelong resident of Antioch. He has worked since 1938 for one company in Antioch.

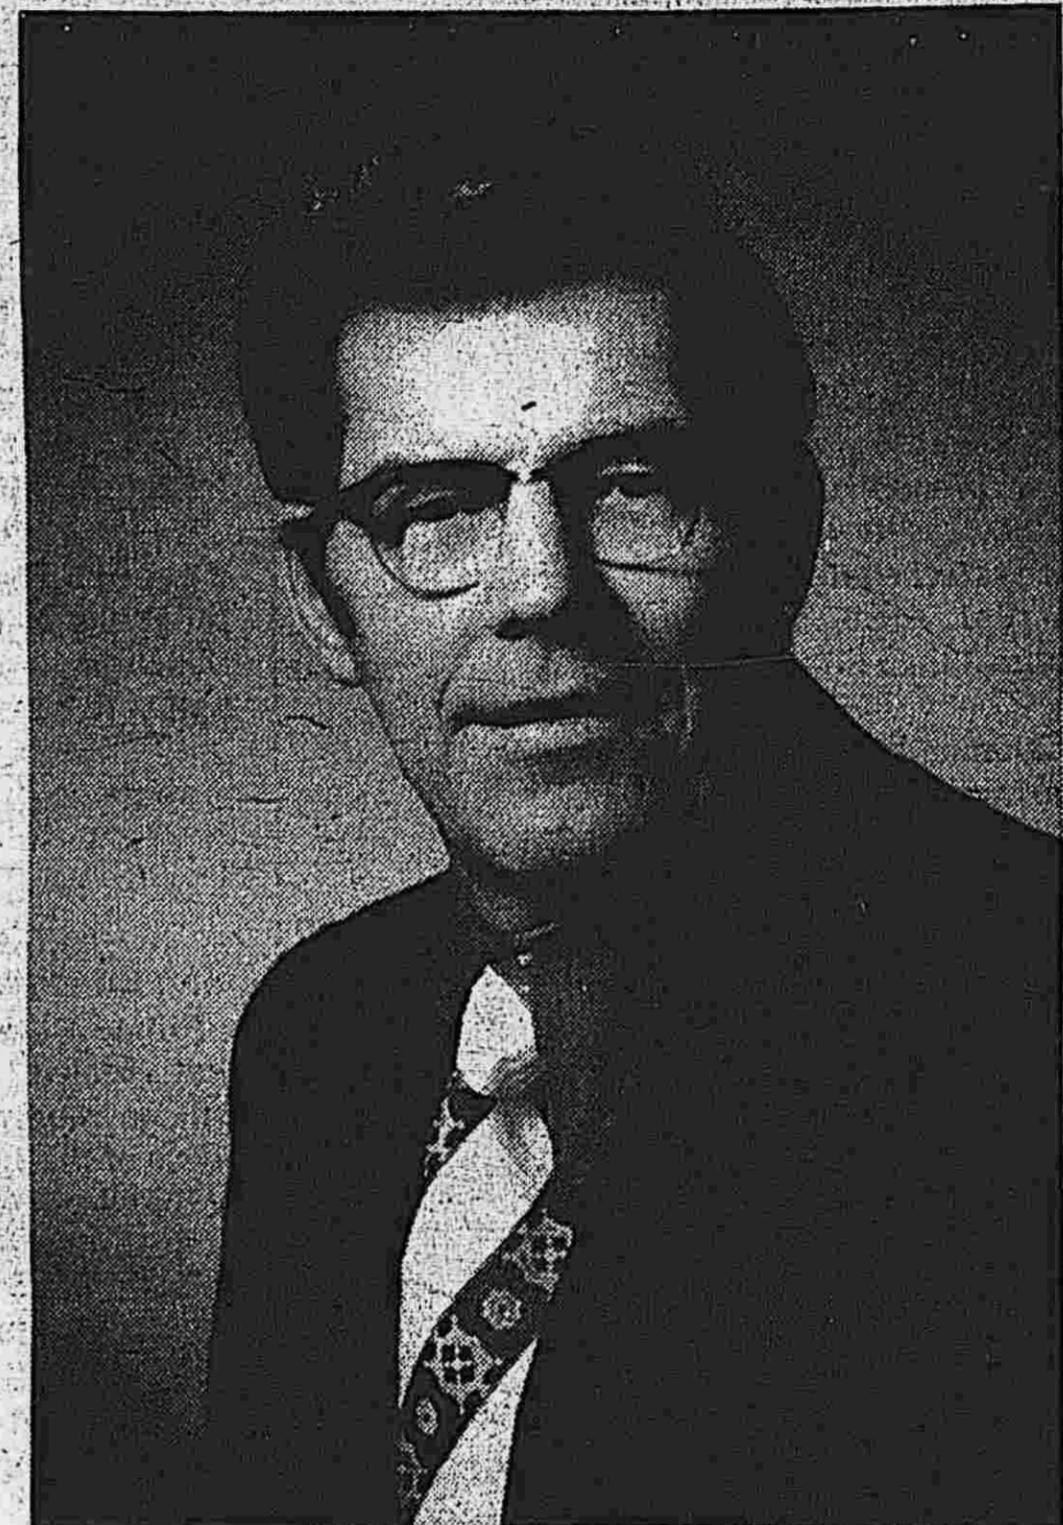

Irv and his wife, Eleanor, have raised their three children here.

Irv Walsh serves no special interest groups nor

businesses that would conflict with or influence mayoral responsibilities or decisions. His only special interest group is You and I - the people who live in Antioch.

Irv Walsh cares about the people of Antioch - from its youth to its senior citizens. Soon after elected, Irv will seek to obtain a Federal grant to build a Civic Center for the benefit of every citizen.

Irv wants Antioch to grow in a regulated, orderly fashion. Your problem - no matter how small - is his concern.
